

GRADE 2 - PARENT MUSIC LETTER

Dear Family,

What an exciting, musical school year your second grader has in store! This year your child will continue to learn new skills and concepts to form the foundation for a lifetime of musical expression and enjoyment.

In our first few weeks together, your child will learn some basics about beat, rhythm and melody - including the pitches *so* and *mi*. We will also explore loud and quiet sounds and the tone colors of different instruments. You can help your child discover these and other aspects of music in many ways, from attending concerts together or providing experiences to sing, dance, or simply listen to music at home.

Thank you for your help. Together we can create a musical learning experience for your child that will enrich his or her life for many years to come.

Sing-cerely,

Mr. T Borden, Music Specialist

HE Hollingsworth Elementary School
